Legal 500 2016: Health & Safety

Christine Braamskamp

Partner

London

T +44.20.7360.8131

F +44.20.7648.9001

christine.braamskamp@klgates.com

Christine is a partner in the firm's London office where she leads the Health and Safety team. She has an extensive health and safety practice focusing on serious incidents, particularly in the construction industry and on health and safety investigations and compliance. Christine operates a rapid response service for major construction and manufacturing clients where a fatality or major accident occurs and regularly represents major companies from the incident through to trial.

REPRESENTATIVE WORK

- Advising a global construction company in relation to a criminal investigation following a fatal accident at Terminal 2 of Heathrow Airport.
- Advising a global metals manufacturer in relation to a fatality at its UK operation.
- Advising a Japanese listed multinational company on ABAC policies and procedures and due diligence obligations in the European Union.
- Advising on accountability and transparency procedures for a leading national charity.
- Advising and reporting into the Board of a large UK company on its national compliance procedures, incident management policy and health and safety programme.
- Representing an oil trading company involved in criminal and health and safety proceedings before the Amsterdam Criminal Court.

Dylan Moses

Senior Associate

London

T +44.20.7360.8154

F +44.20.7648.9001

dylan.moses@klgates.com

Dylan is a senior associate in the Health and Safety and Government Enforcement practice group in London. Dylan has wide-ranging health and safety experience and is currently acting on a number of very high profile health and safety prosecutions. In addition, he advises on health and safety compliance programs, as well as regulatory interventions.

REPRESENTATIVE WORK
