FORM 1-K

GENERAL INSTRUCTIONS

A. Rules as to Use of Form 1-K.

(1) This Form shall be used for annual reports pursuant to Rule 257(b)(1) of Regulation A (§§ 230.251-230.263).

(2) Annual reports on this Form shall be filed within 120 calendar days after the end of the fiscal year covered by the report.

(3) This Form also shall be used for special financial reports filed pursuant to Rule 257(b)(2)(i)(A) of Regulation A. Such special financial reports shall be filed and signed in the manner set forth in this Form, but otherwise need only provide Part I and the financial statements required by Rule 257(b)(2)(i)(A). Special financial reports filed using this Form shall be filed within 120 calendar days after the qualification date of the offering statement.

B. Preparation of Report.

(1) Regulation A contains certain general requirements that are applicable to reports on any form, including amendments to reports. These general requirements should be carefully read and observed in the preparation and filing of reports on this Form.

(2) This Form is not to be used as a blank form to be filled in, but only as a guide in the preparation of the report.

(3) Except where information is required to be given for the fiscal year or as of a specified date, it shall be given as of the latest date reasonably practicable.

(4) References in this Form to the items in Form 1-A are to the items set forth in Part II and Part III of Form 1-A, not Part I.

(5) In addition to the information expressly required to be included in this Form, there shall be added such further material information, if any, as may be necessary to make the required statements, in light of the circumstances under which they are made, not misleading.

C. Signature and Filing of Report.

(1) The report must be filed with the Commission in electronic format by means of the Commission's Electronic Data Gathering, Analysis and Retrieval System ("EDGAR") in accordance with the EDGAR rules set forth in Regulation S-T (17 CFR Part 232).

(2) The report must be signed by the issuer, its principal executive officer, principal financial officer, principal accounting officer, and at least a majority of the members of its board of directors or other governing body. If a signature is by a person on behalf of any other person, evidence of authority to sign must be filed with the report, except where an executive officer signs on behalf of the issuer.

(3) The report must be signed using a typed signature. Each signatory to the filing must also manually sign a signature page or other document authenticating, acknowledging or otherwise adopting his or her signature that appears in the filing. Such document must be

executed before or at the time the filing is made and must be retained by the issuer for a period of five years. Upon request, the issuer must furnish to the Commission or its staff a copy of any or all documents retained pursuant to this paragraph.

D. Incorporation by Reference and Cross-Referencing.

(1) An issuer may incorporate by reference to other documents previously submitted or filed on EDGAR. Cross-referencing within the report is also encouraged to avoid repetition of information. For example, you may respond to an item of this Form by providing a cross-reference to the location of the information in the financial statements, instead of repeating such information. Descriptions of where the information incorporated by reference or cross-referenced can be found must be specific and must clearly identify the relevant document and portion thereof where such information can be found. For exhibits incorporated by reference, this description must be noted in the exhibits index for each relevant exhibit. All descriptions of where information incorporated by reference can be found must be accompanied by a separate hyperlink to the incorporated document on EDGAR. A hyperlink need not remain active after the filing of the report, except that amendments to the report must update any hyperlinks referred to in the amendment that are inactive.

(2) Reference may not be made to any document if the portion of such document containing the pertinent information includes an incorporation by reference to another document. Incorporation by reference to documents not available on EDGAR is not permitted. Information shall not be incorporated by reference or cross-referenced in any case where such incorporation would render the statement or report incomplete, unclear, or confusing. Incorporating information into the financial statements from elsewhere is not permitted.

(3) If any substantive modification has occurred in the text of any document incorporated by reference since such document was filed, the issuer must file with the reference a statement containing the text and date of such modification.

**PART I
